Final Report Form

Project Title:	
Date:	

Grant Recipient(s) and School:	
Recipient Phone Numbers:	work: _____ home: _____

Project Results/Evaluation:

The original grant application requested a description of how short- and long-term goals would be evaluated. You also discussed ways to leverage results of your project to other students/staff and grants.

On disk (MS Word – PC Format) or on a separate paper, please summarize the evidence you have obtained for each of the following:

- (a) Data on successes and setbacks in implementing your project.*
- (b) Data on immediate outcomes - to what extent were short-term objectives accomplished? For any objectives that you could not meet, please discuss obstacles and likely explanations.*
- (c) Data on long-term outcomes - to what extent was your project successful in the long run? Again, please discuss obstacles in the case of any disappointments.*

Please also explain how this project might evolve into another grant opportunity, and how its results might be leveraged with other individuals or groups within the D-S system:
